2. There is no conclusive ~~in~~ evidence to show that the death of Sri J.J.D'Sa on 10-5-51 was due to the injuries received by him in the bus accident on 24-1-49 while he was stated to be travelling on duty. Even the medical certificate of Sri Nagappa Alwa a private medical practitioner does not conclusively establish that the death was as a result of injuries received in the above accident more than 2 years before the death of the Assistant Commercial Tax Officer. The death of Sri L.J.D'Sa cannot therefore be attributed to special risk of office as recommended by the Board and in the circumstances, the grant of pension and gratuity under the Extraordinary pension rules does not seem admissible in this case.

COPY of petition dt. 17.5.51 from Mrs. Judith M.D'sa, wife of late L.J.D'sa, Assist. Commercial tax officer, Mangalore(South) to the Commercial tax officer, South-Kanara, Mangalore.

Sir,

I beg to inform you that my husband, Mr.L.J.D'sa, Asst. Commercial tax officer, died on the 10th instant at 1 A.M.after prolonged illness.

We got married in April, 1947, and his salary and allowances were our only means of support. With his death, therefore, I have been left a widow with absolutely no means of support, since I have no property whatsoever.

His little savings in the shape of his small Provident Fund and Insurance, which I have yet to collect, will hardly be sufficient to meet the heavy debt which we have had to incur during his last illness, which virtually covered a period of over two years, i.e., from the time he met with a serious accident while travelling on duty on a motor bus near Moodabidri in January 1949 from the effects of which he never fully recovered. But his devotion to duty was such that he would not avail himself of any leave until forced to, by circumstances, in September last, of which you are well aware.

I request you, Sir, that you will be good enough to recommend and obtain for me from the Government a gratuity for the 14 years services rendered by my late husband, which will assist me much, since I am not in a fit condition myself, due to the heavy strain put on me as a result of having to nurse my sick husband, through the long months of his illness.

I beg to remain,
Sir,
Yours truly,

Pension - Extraordinary Pensions - South Kanara District - Sr L.J.D'sa - deceased - A.C.T.O. - petition from widow- sanction requested.

Ref.- C.No.A1. 1649/51, dt. 13.8.51 from the Commercial tax officer, South Kanara .

The Commercial tax officer, South Kanara has submitted a petition for the grant of gratuity received from Mrs.Judith M.D'sa, widow of the deceased ACTO, Sri L.J.D'sa. The Commercial tax officer in his ref. A1. 1649/51, dt. 13.8.51 (copy enclosed) has explained in detail, the pecuniary circumstances of the petitioner, who was solely dependent on the deceased officer. The enquiries made by the Local Revenue Authorities (records enclosed) reveal that the deceased did not leave sufficient funds for the maintenance of his wife. The revenue and C.T.officers of the District have recommended the case of the petitioner for the grant of a substantial gratuity.

The enquiries made by the Department further show that it is a fact that the petitioner's husband Sri L.J.D'sa, met with an accident while he was travelling on duty, as Spl. A.C.T.O. from Mangalore to Karkal at a place near Mudabidri on 24.1.49. It is also believed that the injuries sustained by the petitioner, affected the Govt. servant to such an extent that he could not recover from their effects till to the last. During the two years between the date of accident and his death, he had to go on leave on 13.1.51 on grounds of ill-health and never recovered from it and finally succumbed to the disease on 10.5.51. From the enquiries made, it is understood that the death of the

understood that the death of the deceased Govt.servant is believed to be due to the injuries received in bus accident which he met with in January, 1949.

The remarks left by various officers under whom late Mr. D'sa was working, show that they have been continuously satisfactory in his total service of 14 years with this Govt. The personal file of the individual is enclosed for perusal.

In the circumstances stated I strongly feel that the petitioner, Mrs. Judith M.D'sa deserves the utmost help from the Government in view of the fact that her husband died as an after-effect of the accident he had while travelling on Government duty. I therefore request that the Government may be addressed to grant a monthly pension to the petitioner -widow of late D'sa which is permissible under rule 10(ii) of the Extra-ordinary Pension Rules, Madras.

The petitioner of Mrs. Jidith M.D'sa, records of enquiry made by the Revenue department and other connected records are enclosed.

Pension - Extraordinary pension - South Kanara district - Sri L.J.D'sa - deceased A.C.T.O. - petition from widow - sanction - further report - submitted.

Ref.- Board's ref. C.5571/51-1, dt. 6.12.51.

With ref. to the above, I submit herewith the following details required by the Board in connection with the sanction of Extra-ordinary pension to the widow of Sri L.J.D'sa, a deceased A.C.T.O. of South Kanara district.

The injuries were received by late Sri L.J.D'sa in a bus accident while travelling on duty from Mangalore to Karkal in his capacity as special A.C.T.O. for detection of evasions, South Kanara district on 24.1.49. The accident was reported to be of serious nature wherein three passengers in travelling in the bus met with fatal injuries, while the rest were seriously injured. The injuries caused to this officer which should be considered as a result of risk of office, have ultimately resulted in the loss of his life. The injuries sustained may therefore be considered to fall under class B of Rule 8 of Madras Extra-ordinary Pension Rules.

The circumstances in which the injuries were received by the late A.C.T.O. have been explained in detail in the report of the C.T.O. South Kanara, Ref.C.No.A.1649/51, dt. 1.10.51 and 9.3.52 (copies enclosed). A reference to this effect has also been made in my report No.D.3860/51, dt. 9.11.51. The statement given by Sri B.L.N.Thantri, formerly clerk under the Special A.C.T.O. Mangalore (now a clerk in Head Post office, Mangalore) gives a clear picture of the accident in which the late L.J.D'sa sustained injuries. Another statement recorded from K.Shivaji, peon to the Special A.C.T.O. Mangalore is also enclosed herewith.

Statement of Mrs. Judith M'Roa. w/o. late
L.J. D'Roa. Retd Assistant Commercial Tax Officer. Margao.

Heard the records of Taluk N.By. C.no.
68 28.51 & dated 3.8.51. It is my petition to
sanction gratuity for the 16 years service rendered by
my late husband and my maintenance to defray
the heavy debt incurred during the prolonged
illness of the deceased. He has not left any
immovable properties. He had insured his life in the
Bombay Mutual Life Assurance Company for Rs. 2000/-.
As in the Empire of India for Rs 1000/- and Delhi
Provincial Mutual Life for Rs 1000/- He has
3 children in front of the time of his death and I expect
to get Rs 4000/- from his Insurance claims. But no
amount has been received yet. He was contributing
to the G.P. Fund. I do not know how much amount
there is in the G.P. Fund. I have no children.
There is no legal heir who is under any obligation
to support me and help me. For the expenses of
medicine etc. he has borrowed Rs 350/- from Friends
Fees I have given in the first week of May 51. Though the
Provident Fund was received by me in May 51, the amount was
not given. The Authorities opened a new file to that
effect. So I have to repay the loan from the amount
I have to get sanctioned. Further I have to discharge
debt Rs 250/- being the arrears of house rent
to Savant & furniture contract amount to Carpenter
& in all I owe about Rs. 3200/-. The assets

in the form of Provident Fund, Insurance Policies
etc will be stopped off by the time I have
no means for maintenance etc. You must give written
to me for
(3) my repayment. If I repay it
the amount may be passed to return it
maximum prohibited period for correction. I
am sure the amount from the Mayor's Charity.
Errors (1) (2) & (3) only.

I find the above submitted correct.

2. The deceased Sri L.F. Dias has left not left any immovable properties or movables with the heirs. The only assets left by him are his Insurance Policies & Provident Fund. Enquiry reveals that he had insured his life in 2 Companies for Rs. 4,000/- in all. The Policies were said to be in force at the time of his death in Nov. 51. The amount in deposit in the Provident Fund is not known. This may be verified in the office of the Commercial Tax Officer. The petitioner states that to meet the heavy expenditure on treatment for the prolonged illness, he and for the last two years, the deceased had borrowed amounts from his brother-in-law (Petitioner's brother) and that he owed to the tune of Rs 300/- for which a Pro-note is said to have been executed just a few days prior to his death. I could not verify this Pronote as the brother is said to be employed in Pune. His address is as follows: F.R.R. Furtado,

c/1, Maidan Road,
Nirkul, Pune.

If necessary, he may be asked to produce the Pronote for verification. There can be no doubt in the fact that the deceased have incurred heavy debts for his treatment, as there could not be any savings in the meagre salary drawn which was the only source of support. Besides this fact the petitioner has to disburse both Rs 2/- to the servant maid and 2 orphans. ~~The petitioner is put up in a rented house.~~)

The petitioner contends that the little savings in the shape of Insurance & Provident Fund will hardly be sufficient to meet the heavy debt is quite true.

170

~~No. 276~~

3. The petitioner is putting up in a rented house. She has no children. The petitioner is governed by Christian Law of succession and as such, the moment she is married, there is absolutely no obligation on the part of anybody to support her. Enquiry ~~from the petitioner~~ from her family is also not in such affluent circumstances and that ~~Enquiry about that~~ they too have no immovable properties. The whole family is stated to be maintained by the petitioner's brother who is employed in Kerikeri. Hence the question of any help to the petitioner from any relative or family member does not arise. It is true that the petitioner has absolutely no means of support. She is not in a position to go for any outdoor work to earn her livelihood. She deserves every help at the hands of the Govt. I strongly recommend that a substantial gratuity may be sanctioned to the petitioner. The petitioner wishes to draw the gratuity from the District Treasury, Mangalore, if sanctioned.

4. The genealogical Table of the family of the deceased is enclosed. No elderly member was available at home during my enquiry to get it attested by them as desired by the A.C.T.O. The statement of the petitioner is also enclosed.

2. It is a fact that the late Sri L.J.D'Sa met with a bus accident while travelling on duty from Mangalore to Karkal at a place near Moodabidri on 24-1-1949. He was special ACTO for inspection there. The accident was of a very serious nature wherein three passengers were said to have met with fatal injuries while the rest were seriously injured. As for Sri D'Sa it was a hair-breath escape. The injuries which he received, though outwardly not of a very serious nature, had affected his system to such an extent that he never fully recovered from their effects. But his zeal for work was such that he subordinate the interests of his own health to those of his duty and would not even care to take rest and treatment for a sufficiently long period in proportion to the seriousness of the injuries. After being on casual leave for 5 days from 26-1-49 to 1-2-1949 and again for 8 days from 3-2-49 to 10-2-49 (inclusive of 1 incoming holiday) he was again at his duty. His diaries for the fortnights ending 31-1-49 and 15-2-49 are enclosed for favour reference and return.

3. The information regarding the exact description of the nature of his illness is not available in this office as all the leave applications received from him together with the connected medical certificates have been submitted to the Deputy Commission I request that those records may kindly be referred to.

4. As regards the question whether the individual died as an after-effect of the bus accident, I submit that I am not in possession of any authentic report of any medical authority on this matter. But however, it is a fact that Sri D.'Sa, who had a robust health before he met with the accident, was slowly and gradually declining in his health. He had to go on leave at frequent intervals on account of illness and the disease was not correctly diagnosed as far as I am aware. In the month of September 1950, he was forced to confine himself to bed for one month. From all these it can be assumed that he died as an after effect of the bus accident.

5. I submit that this is a case which deserves special consideration and every possible concession.

6. The petition dated 17-8-51 of Mrs. D.'S together with the papers of enquiry are resubmitted herewith.

P.T.O.

The late Sri L.J.D'Sa met with a bus accident while travelling on duty from Mangalore to Karkal at a place near Moodabidri on 24-1-49. The accident was of a serious nature wherein three passengers travelling in the same bus met with fatal injuries while the rest were seriously injured. The injuries had affected his system and according to the medical report of the physician who was attending on him from 24-1-1949 to 20-3-1949 and from 15-11-49 to 3-1-1950 and again during the last stage of his illness, the cause of death is said to be due to the complications which resulted from the injuries sustained in the bus accident. The physician has also certified that the injuries on the left maxilla and left thigh which the deceased officer received in the bus accident were severe. The medical report of the physician dated 5-3-1952 is submitted herewith in original. The medical report and the 3 statements submitted with this office Ref. A1-1645/51 dated 16-8-1952 also explain the nature of injuries and the circumstances in which the injuries were received.

2. An application for family pension in form 'B' called for in My. Commissioner's reference cited above is also submitted herewith in duplicate.

Statement dated 16-2-1952 of K. Shivaji, peon to the Special ACTO, Mangalore, recorded by the ACTO, Mangalore North.

I have been the peon of the Special Assistant Commercial Tax Officer Mangalore since 1946-47. Even in 1948-49 when Sri. L.J.D'sa was the special Assistant Commercial Tax Officer I have worked as his peon. The Spl.ACTO had entrusted me with some notices to be served on certain dealers for production of accounts at Karkal on 24-1-49 and for this purpose I had left Mangalore two days in advance. Having served all the notices, I went to Karkal town on 24-1-49 and awaited the arrival of the Special ACTO, Sri. L. J. D'sa at the bus stand. At about 11 A.M. information was received to the effect that Sri. L.J.D'sa had met with a bus accident while on his way to Karkal. At about 1 P.M. he was brought in bus along with the other injured persons. When I saw him he had injuries on his head, cheak, elbow and knee. Then clerk, L.N. Thanthri and I took Sri. D'sa in a jatka to the Karkal Hospital, where the Doctor examined him and avised to take him to Mangalore. So at once (at 4 P.M) he was taken to Mangalore and was treated by Dr. Nagappa Alva. Thereafter, due to the effect of the injuries, he used to fall ill now and then.

dated 26-8-52. p47 above

(i). I am to say that the Commission is of the view that the death of the Assistant Commercial Tax Officer, who worked for nearly two years after the bus accident, cannot be said to have been due to the accident and that the widow is not eligible for pension or gratuity under the Extraordinary Pension Rules, Madras.

(W)

(ii) At the same time, the Commission desires to point out that though there is no conclusive evidence that the death of the Assistant Commercial Tax Officer was due to the injuries sustained by him in the accident, connexion between his death and the injuries cannot be ruled out. It would appear that after the accident he never regained his old normal health and that his health gradually declined till ultimately he died. As stated

by

SC

pp25-38 above

by Dr.K.Nagappa Alva, his death might have been due to the complications which set in as the result of the injuries. In the circumstances, the Commission is of the view that his case calls for sympathetic treatment. It is open to the Government to make an ex-gratia grant to the widow. The Commission suggests that she be granted a gratuity of Rs.500/-.

With reference to the suggestion of the Commission that an ex-gratia grant of Rs.500/- may be made to the widow of late Sri L.J.D'Sa, Asst. Commercial Tax Office I am to invite your attention to G.O. No.1247, Finance (Pension), dated 25-11-1949 and to state that, as the Madras Compassionate Gratuities Rules are at present applicable to the families of deceased non-gazetted Government servants (irrespective of pay limit) ex-gratia grants are generally given only in the case of deceased gazetted Government servants The maximum compassionate gratuity that may be given to the widow in this case is Rs.(150 + 34) x 12 = Rs.2208

I am therefore to enquire whether the Commission has any objection to the case being dealt with under the Compassionate Gratuities Rules and the widow being sanctioned an appropriate amount of compassionate gratuity by the Committee administering the scheme of Compassionate Gratuities.

Sub: Pension--extraordinary--late Sri L.J.D'Sa, Assistant Commercial Tax Officer--Grant to widow.

Ref: From the Board of Revenue, No.C.5571/51-2 d/11-6-52
From the Accountant-General, No.PVEFP.5/52-53/647/3281, dated 20-8-1952.
From the Madras Public Service Commission, No.5376-C/52-2, dated 29-9-1952.

The case deals with the proposal of the Board of Revenue to sanction an extraordinary pension and gratuity to the widow of late Sri L.J.D'Sa, Assistant Commercial Tax Officer.

2. The Deputy Commissioner of Commercial Taxes, Coimbatore, has stated that Sri L.J.D'Sa met with an accident and sustained injuries while travelling on duty as Special A.C.T.O. from Mangalore to Karkal on 24-1-1949, that the injuries affected the deceased Government servant to such an extent that he could not recover from their effects to the last, that he had to go on leave from 13-1-1951 on grounds of ill-health, that he never recovered from it and finally succumbed to the disease on 10-5-1951 and that the death was an after-effects of the accident he had while travelling on Government duty. He has also stated that the injuries caused to the officer should be considered as a result of risk of office. Dr. K.Nagappa Alwa, M.B.B.S., a private Medical Officer, has in his letters dated 11-2-1952 and 5-3-1952, certified that he had treated the late Sri L.J.D'Sa for the injuries sustained by him in the bus accident that occurred on 24-1-1949 and that his death might have been due to complications arising out of the injuries of the accident.

3. In the circumstances, the Board of Revenue has recommended the payment of a gratuity of Rs.600/- and a monthly pension of Rs.50/- to Mrs. Judith M.D'Sa, widow of the late A.C.T.O., under Rule 10 of the Extraordinary Pension Rules (Madras). Even if the death of the A.C.T.O. is considered as due to risk of office as stated

stated by the Deputy Commissioner of Commercial Taxes, the widow will be eligible for a pension of only Rs.50/- p.m. but not for ~~any~~ a gratuity. If only the death is considered as due to special risk of office, the widow will be eligible for a pension of Rs.50/- p.m. and a gratuity of Rs.600/-.

4. The Accountant-General has stated that there is no conclusive evidence to show that the death of Sri L.J.D'Sa on 10-5-51 was due to the injuries received by him in the bus accident on 24-1-1949 while he was travelling on duty, that even the Medical Certificate of Dr. Nagappa Alwa, a private Medical Practitioner does not conclusively establish that the death was as a result of injuries received in the accident more than 2 years before the death, that the death cannot, therefore, be attributed to special risk of office as recommended by the Board, and that the grant of pension and gratuity under Extraordinary Pension Rules does not seem admissible.

5. The Madras Public Service Commission which was consulted in the matter, with reference to Article 320 (3) (e) of the Constitution of India, is of the view that the death of the Assistant Commercial Tax Officer who worked for nearly 2 years after the bus accident cannot be said to have been due to the accident, and that the widow is not eligible for pension or gratuity under the Extraordinary Pension Rules, (Madras). At the same time, the Commission desires to point out that, though there is no conclusive evidence that the death of the A.C.T.O. was due to injuries sustained by him in the accident, connection between his death and the injuries cannot be ruled out, that after the accident he never regained his old normal health, that his health gradually declined till ultimately he died, and that, as stated by Dr. Nagappa Alwa, his death might have been due to the complications which set in as the result of the injuries.

In the circumstances, the Commission is of the view that the case calls for sympathetic treatment.

and

and has suggested the payment of an ex-gratia gratuity of Rs.500/- to the widow of the late Sri L.J.D'Sa.

6. Finance may agree with the views of the Commission that the death of the officer cannot be said to have been due to the accident and that the widow is not, therefore, eligible for pension or gratuity under the Extraordinary Pension Rules, Madras.

7. As regards the suggestion of the Commission to grant an ex-gratia grant of Rs.500/- to the widow, attention is invited to G.O.No.1247, Finance (Pension), dated 25-11-1949. It will be seen that ex-gratia grant are generally given only in the case of gazetted officers.* In the case of non-gazetted Govt. servants whose families are not eligible for any benefits under the Extraordinary ~~Family~~ Pension Rules, a gratuity will be admissible under the Madras Compassionate Gratuities Rules. The maximum compassionate gratuity that may be given in this case is Rs.(150 + 34) x 12 = Rs.2,208/-. The position may, perhaps, be explained to the Commission and the Commission asked whether it has any objection to the case being dealt with under the Madras Compassionate Gratuities Rules.

Subject to orders, a draft letter is submitted. Revenue may see the case for remarks.

* since the Compassionate Gratuities Rules are now applicable to all N.G.Os irrespective of pay limit.

been mainly responsible for his death. This seems to have been glossed over which I think, coming from a medical man is entitled to serious weight — more than what the A.S. or the S.S.C. would say that there is no conclusive evidence. Giving a gratuity of Rs 500/- is a mere bagatelle in a case like this which is so tragic. I would submit that a pension as suggested in Fin. note, at p.2 would be more in keeping in a case like this. For orders: Fin. may please take this to

The medical certificates at ff 35 to 38 strongly support a case for better treatment than by a gratuity of Rs 500/-

The Commissioner has accepted that the death of Mr D'Sa could have been due to complications caused by the bus-accident two years earlier. If this is so, I find it difficult to understand why travelling in these buses is not a work of office, and if so, why the pension of Rs 50/- should not be granted to the widow. Perhaps Fin would like to ~~address itself to~~ consider again ~~point out that~~ the implications of the situation. I think this is a case in which Govt should take the more charitable view in the case of a widow who loses her husband after 5 years of married life. The injuries to ~~Mr~~ D'Sa under the maxilla & in the left thigh which [illegible] caused complications later on were [illegible]

The Revenue Department consider that the medical certificates on pp.35-38 c.f. make the case fit for better treatment than by a gratuity of Rs.500/-. They are of the view that a more charitable view should be taken in the case of the widow and a pension of Rs.50/- should be granted to her, under the Extraordinary Pension Rules, Madras. As this is a deviation from the recommendation of the Commission the case may be sent to Public (Services) for remarks before orders are taken in circulation.

proposal of Finance at 'X' on p.3 above. Under this proposal, against a gratuity of Rs.500/- recommended by the Commission, it will be open to the Government to grant to the widow of the deceased officer a maximum amount of Rs.2,208/- if the case is dealt with as one falling under Compassionate Gratuity Rules. Considering the fact that the widow will not strictly be eligible for a pension under the ~~existing~~ Extraordinary Pension Rules, treatment of the case under the Compassionate Gratuity Rules will amount to taking a charitable view of the case. It can no doubt be said that connection between the death of the officer and the accident in which he sustained injuries two years earlier cannot be ruled out, but the fact remains that there is no conclusive evidence to prove that death was definitely due to the injuries. In the circumstances and in view of what Public (Services) have stated, Revenue may be requested to reconsider their views. If they still adhere to their previous view, orders in circulation may be obtained.

(Issued as T.M. dated 22-12-1952).
From the Board of Revenue, No.C.5571/51-6, d/31-12-1952.

Sri L.J.D'Sa, Asst. Commercial Tax Officer, met with an accident and sustained injuries while travelling on duty from Mangalore to Karkal on 24-1-1949 and he died on 10-5-51. Assuming that the death was an after effect of the injuries, the Board of Revenue recommended the payment of a pension of Rs.50/- p.m. and a gratuity of Rs.600/- to Srimathi Judith M.D'Sa, widow of Sri L.J.D'Sa under the Extraordinary Pension Rules, Madras. However, in accordance with the view held by the Accountant-General ~~it was decided in consultation with~~ the Madras Public Service Commission that the death of the A.C.T.O. could not have been due to the accident (it was felt) ~~and~~ that the widow ~~is~~ was not eligible for pension ~~or gratuity~~ under the Extraordinary Pension Rules, Madras. Yet, as connection between the death and the accident could not be ruled out, and as, in the case of ~~non-gazetted Government servants where~~ families ~~are~~ not eligible for any benefits under the Extraordinary Pension Rules, Madras, a gratuity will be admissible under the Madras Compassionate Gratuities Rules, it was decided that the case might be dealt with under the Compassionate Gratuities Rules. Revenue have agreed to this proposal.

The following particulars are furnished for the information of the Committee administering the compassionate

p.t.o.

gratuity.-

Sri L.J.D'Sa died on 10-5-1951. He has rendered a total service of about 14 years. He was drawing a pay of Rs.150/- plus Rs.34/- dearness allowance at the time of his death and he has left behind him only his widow. The assets and liabilities left by the deceased are as shown below.-

Assets.

Insurance	...	Rs.4,000
General Provident Fund		685
		Rs.4,685

Liabilities:

Amount borrowed in connection with illness	...	Rs.3,000
Pay to servant		300
Furniture rent		150
		Rs.3,180
Net assets	...	Rs.1,505/-.

Orders are requested whether a compassionate gratuity will be sanctioned to the widow of Sri L.J.D'Sa, and if so, what amount. The maximum amount admissible in the case is Rs.(150 + 34) x 12 = Rs.2,208/-. Agreeing with the Board of Rev., the Rev. depty. first recommended the grant of a pension of Rs. 50 p.m. to the widow as they felt that a charitable view should be taken. Later, in view of the opinions of the A.G. & Madras Pub. Service Commission, Rev. have agreed with this depty. to the case being dealt with under the Comp. Gratuity Rules. The Service Commission also has agreed to this. For orders as to the amount of compassionate gratuity that may be sanctioned.

Instructions for filling up Form No. F.R. 9-A.

1. The account is to be maintained in terms of leave on average pay. For this purpose, actual periods of leave taken on half or quarter average pay as entered in column 13 should be divided by two and posted in column 14.

2. In the case of officers who were subject to the Civil Service Regulations leave rules before they elected the Fundamental Rules, the account should commence with an opening entry in columns 4, 5, 6, 7, 8, 11, 13, 14, 15, 16, 17 and 18. The words 'Due on (date of coming under the Fundamental Rules)' should be written across columns 1, 2 and 3 and against these words credit under Rule 77 (*b*) (*ii*) (1) should be given in column 4 and column 6 and that under Rule 77 (*b*) (*ii*) (2) and Rule 77 (*e*) in column 5 and column 7 while debit for commuted furlough taken under the old leave rules should be given in column 11 and that under Rule 78, Note (2) (*i*) (*a*), in column 13, one half of the latter being entered in column 14. The sum total of the entries in columns 6 and 7 and in columns 11 and 14 should be entered in columns 8 and 15 respectively. The difference between the entries in columns 8 and 15 should be entered in column 18 and the entry in column 4 or 6 should be repeated in column 16 while the entry in column 5 or 7 minus the sum total of the entries in columns 11 and 14 should be shown in column 17.

3. When a Government servant applies for leave, columns 1 to 8 should be filled up. Columns 1, 2 and 3 should show the Government served under and the period of duty up to the date preceding that on which the Government servant intends to go on leave, and columns 4 and 5 should each show $\frac{1}{11}$th of this period (but see Note 2 below), the sum total of the two entries representing the period of leave (i.e., $\frac{2}{11}$ths of duty) earned under Rule 77 (*b*) (*ii*) (3). To the new entry in column 4 should be added the last entry in column 16 and the resultant figure should be posted in column 6; similarly to the new entry in column 5 should be added the last entry in column 17 and resultant figure should be posted in column 7. The total of the entries in columns 6 and 7 will be shown in column 8.

Note 1.—If during the period of duty prior to a Government servant's going on leave he has served under two or more Governments, the period of duty and the leave earned under each Government should be shown in separate lines in columns 1 to 5 and the sum total of the new entries in column 4 and the last entry in column 16 should be posted in column 6 and of those in column 5 and the last entry in column 17 in column 7, the total of the entries in columns 6 and 7 being shown in column 8.

Note 2.—The sum total of the entries in column 5, inclusive of the opening entry mentioned in instruction No. 2, should not exceed 2½ years [Rule 81 (*a*) (*ii*)], and no entry should be made in this column when this limit of 2½ years is reached.

When columns 1 to 8 have been posted, column 8 will show the *maximum* amount of leave which may be granted *in terms of leave on average pay* [but see Rule 81 (*d*)] to a Government servant on the date on which he intends to go on leave. The *maximum* amount of leave *on average pay* which may be granted on that date with medical certificate or out of India and Ceylon will be the sum total of the last entry in column 6 and the unspent balance of 'one year' limited to 8 months at a time, provided this sum total is covered by the period entered in column 8; in the case of leave in India or Ceylon without medical certificate, the maximum will be the last entry in column 6, limited to 4 months at a time. The limits of 8 and 4 months may be exceeded as provided in the note to Fundamental Rule 81 (*b*).

4. When a Government servant returns from leave, columns 9 to 18 should be filled up. The period of leave taken on average pay should be entered in columns 9, 10 and 11, that taken on medical certificate or spent elsewhere than in India or Ceylon should be entered in column 11 till the limit of 'one year' is reached and thereafter in column 10. The actual periods of leave on half or quarter average pay (together with leave on subsistence grant under the note to Fundamental Rule 88) and overstayal of leave (vide Fundamental Rule 73) should be entered in column 13 and one half of it in column 14.

Note 1.—Leave on average pay taken under the Fundamental Rules in India without medical certificate in excess of the last entry in column 6 before the deletion of '*plus* one year' from Rule 81 (*b*) (*ii*) should be entered in column 11.

Note 2.—Under Fundamental Rule 80, the amount of leave due is the balance at credit in the leave account, i.e., in column 18. Leave not due may be granted only if this is nil or a minus quantity—vide Fundamental Rule 81 (*c*). The leave salary will, in that case, be half average pay—vide Fundamental Rule 87 (*b*). Thus the grant of leave not due affects columns 14, 17 and 18 only. If at the same time there is a plus figure in column 16, this balance of leave on average pay is suspended, not wiped out. When leave again becomes due, under the operation of Fundamental Rules 77 and 81 (*c*), this balance shown in column 16 is revised again to the extent of the balance of leave due.

5. The total period of leave in terms of leave on average pay taken in a Government servant's whole service as entered in column 15 should not exceed the privilege leave credited to him in column 4 on his coming under the Fundamental Rules *plus* all periods of leave subsequently entered in that column *plus* 2½ years.

6. When a Government servant is transferred to service under another Government, a separate account should be opened in this form for showing the leave earned under that Government and the leave the cost of which is debited to that Government. This account will be in addition to the main leave account which must be a complete record of all leave earned and taken under these rules throughout his service.
